A MESSAGE FROM OUR BOARD PRESIDENT

I’m pleased to present Film Victoria’s 2015/16 Annual Report. A total of 67 film, television and games projects commenced production with investment support from Film Victoria, delivering $172.9 million of production expenditure to the State. This is an excellent result which signals stability and confidence in the Victorian screen industry.

Those projects created more than 8,000 employment opportunities for Victorian screen practitioners who contributed to the creation of diverse and entertaining content to be enjoyed by audiences here and abroad. Many of these productions received local and international awards, which is an acknowledgement of the depth of talent we have here in Victoria.

Through its eight core funding programs and other initiatives, Film Victoria staff processed 474 applications with 59% receiving support. This represents a 29% increase in the number of applications assessed. Managing this increase has been possible through the ongoing improvement of systems and processes which have delivered significant efficiency gains.

The support of the Victorian Government is a key element to the success of our screen industry and we welcomed the release of Creative State, the Government’s strategy for Victoria’s creative industries. Creative State signifies the important role of the screen industry in Victoria’s cultural ecosystem, with identified strategies in place to ensure the continued growth and development of our industry. In addition to sustained funding for Film Victoria’s core activities over the next two years, new funding to support growth of screen businesses in Victoria is a welcome and valuable initiative.

I would like to thank the Premier the Hon. Daniel Andrews MP and the Minister for Creative Industries, Martin Foley MP for their ongoing support of the Victorian screen industry, which is essential if it is to remain competitive in a global market and successfully adapt to the challenges and opportunities ahead.

My thanks also to the Film Victoria Board members for their ongoing service and advice, overseeing the strategic objectives and governance obligations of our organisation. I would particularly like to acknowledge the significant contribution of Jan Sardi who served on the Board for eight years and welcome Kelly Lefever who joined the Board in September 2015. In addition I would like to acknowledge the contribution of the industry practitioners who serve on our various committees, bringing additional and valuable expertise and perspectives.

I would like to specially thank Film Victoria’s CEO Jenni Tosi who continues to lead our organisation with energy and enthusiasm to deliver strong outcomes for the Victorian screen industry. The hardworking staff of Film Victoria also deserve acknowledgement for their contribution to the very pleasing results achieved in 2015/16.

Everyone at Film Victoria looks forward to continuing to work with the Victorian screen industry in the coming year to assist its continued growth and success.

IAN ROBERTSON
President
Film Victoria
The Victorian screen industry proved to be a hub of production activity in 2015/16, as demonstrated by the $172.9 million of leveraged expenditure in the State from productions supported by Film Victoria. This is an impressive result which signifies Victorian companies consistently create and produce an extraordinary range of television, comedy, drama, documentary, feature films and games that are distinctive in the marketplace and can appeal to audiences on a global scale.

Australian feature films enjoyed considerable commercial and critical success throughout 2015 and into 2016, many of which were originated by talented Victorians and fully produced here or undertook substantial production in the State. These include ODDBALL, NOW ADD HONEY, LOOKING FOR GRACE, DOWNRIVER and HOLDING THE MAN and the runaway success, THE DRESSMAKER, which enjoyed a world premiere at the 2015 Toronto International Film Festival.

LOOKING FOR GRACE was selected to have its world premiere at Venice, making Director Sue Brooks the first female director to represent Australia in 15 years. NOW ADD HONEY, written by Robyn Butler, was selected by Geena Davis to premiere at her newly established Bentonville Film Festival in May 2015 before its Australian theatrical release in November. Our heartiest congratulations to all the filmmaking teams and particularly to Sue Maslin, Jocelyn Moorhouse, Sue Brooks, Alison Tilson, Lizzette Atkins, Sue Taylor and Robyn Butler. In a year where the under representation of women in key roles in the screen industry was the focus of much discussion and activity, it’s appropriate to acknowledge the achievement of these individuals and celebrate their well deserved success.

Through Film Victoria’s investment and incentive funding programs 67 projects were funded providing over 8,000 employment opportunities for screen practitioners including writers, directors, design teams, on set technicians, composers, picture and sound post production teams, animators, VFX artists, games developers and many more. It’s fantastic to have so many talented individuals contributing to the creative process.

Victorian television productions continued to shine with 28 projects commencing production over the past year. Much loved series PLEASE LIKE ME, WENTWORTH, HOUSE HUSBANDS, NOWHERE BOYS, FIRST CONTACT, JACK IRISH, THE DOCTOR BLAKE MYSTERIES and UPPER MIDDLE BOGAN returned, while audiences were also delighted by new offerings including TOMORROW WHEN THE WAR BEGAN, THE DIVORCE, LUKEWARM SEX and THE KATERING SHOW, with more to follow.

The successful partnership between Film Victoria and the ABC will continue through the ABC Content Initiative, which was announced in June 2016 and will deliver a further pipeline of television production in the State over the next two years.

Film Victoria supported 13 fiction and documentary features that commenced production in the last year. MONSIEUR MAYONNAISE, THE EULOGY, THE FAMILY, ON RICHARD’S SIDE and EMO THE MUSICAL premiered at the 2016 Melbourne International Film Festival alongside the opening night film THE DEATH AND LIFE OF OTTO BLOOM. All will enjoy a theatrical release in the coming year alongside BERLIN SYNDROME, SPIN OUT, THE EMPYREAN, ALYS WEDDING, DANCE ACADEMY THE COMEBACK, GURRUMUL ELCHO DREAMING, MAMIL and EARTH STORY. We congratulate the teams behind these films and wish them every success.
Melbourne’s game developers continued to impress on a global scale with 40 representatives attending the 2016 Game Developers Conference (GDC) in San Francisco. While funding support from Film Victoria will see 18 new games developed for release – among these are EARTHLIGHT, TICKET TO EARTH, ROGUE SINGULARITY, THE GARDENS BETWEEN, PAPERBARK, SPRYKE, BLOCKPOCALYPSE, REFLEX and CHOICES: AND THE SUN WENT OUT, several of which were pitched at GDC.

Victoria’s visual effects specialists were busy again this year delivering extraordinary shots on DEADPOOL, THE LAST WITCH HUNTER and GHOSTBUSTERS, whilst composers, picture and sound post production teams used their skills to make the titles listed in this report, and many others look and sound fabulous.

We were delighted to introduce two new initiatives this year: the Women in Games Fellowship and the Film Victoria-Natalie Miller Fellowship Women in Leadership Development Initiative, which will position Victorian women to take on leadership roles within the industry.

Numerous stakeholder events were supported with the aim of assisting screen practitioners to enhance their skills and allow businesses to source new partnerships and opportunities.

The 2015 Screen Leader Awards acknowledged the outstanding achievements of documentary producer Sonya Pemberton with the Jill Robb Award, with post production expert John Fleming receiving the John Howie Award. Two new awards were established in honour of director Fred Schepisi and screenwriter Jan Sardi.

Gristmill producers Wayne Hope and Robyn Butler were acknowledged with the Greg Tepper Award, while Matt Hall and Andy Sum from Hipster Whale received the Tim Richards Award at our 2016 Seen and Screened event.

The release of Creative State in April 2016 outlines the Victorian Government’s vision for the creative industries and we look forward to implementing the actions which will see the screen sector continue to flourish and grow.

I wish to acknowledge Minister for Creative Industries, Martin Foley MP and the Victorian Government, who recognise the economic value and social benefits the screen industry brings to Victoria and continue to ensure it is well supported.

Film Victoria could not deliver the range of programs, events and other activities without the guidance of our highly experienced Board members and I thank them for their ongoing support. In particular I’d like to acknowledge the contribution of Jan Sardi who also served on our Evaluation and Advisory Committee. My sincere thanks to Board President Ian Robertson who generously shares his expertise and provides invaluable support.

I’m most fortunate to work alongside an extraordinary team of dedicated staff at Film Victoria. I thank each of them for the enthusiasm and commitment they bring to their roles and for the wonderful service they provide to the Victorian screen industry.

Finally, I’d like to congratulate the many talented Victorian practitioners and businesses on the achievements of the past year. Without your creativity, originality, passion, commitment and shared vision Victoria’s screen industry would not be able to achieve this success. So thank you all. We look forward to assisting you in the coming year to ensure our dynamic industry continues to flourish.

The Film Act 2001 requires Film Victoria to provide ‘strategic leadership and assistance to the film, television and multimedia industry of Victoria to encourage innovation and the creation of new projects of high quality that are of economic or cultural benefit to Victoria’.

The Act prescribes eight functions for Film Victoria:

d. establish and facilitate, whether in Victoria or elsewhere, relationships for the development of film, television or multimedia programs
e. provide leadership to the film, television and multimedia industry in Victoria
f. develop strategic plans for the development and improvement of the film, television and multimedia industry in Victoria
g. advise the Minister on matters relating to the film, television and multimedia industry in Victoria
h. develop relationships or enter into partnerships with other organisations, including government bodies, whether in Victoria or elsewhere, to improve the film, television and multimedia industry in Victoria.

Film Victoria's Professional Attachment Scheme, administered by Open Channel, requires producers receiving investment funding of $150,000 or more to support a professional attachment on their production. These on the job training opportunities help meet the growing demand for skilled practitioners across a range of disciplines.

While women comprise around half of audiences, they are under represented across Australia’s screen industries, particularly in key creative roles. The Film Victoria-Natalie Miller Fellowship Women in Leadership Development Initiative takes a long term approach to this gender imbalance by focusing on advancing women's careers and leadership opportunities in the film and television sectors.

Five recipients received support to build their business expertise and leadership skills through international placements, formal training and mentorships: Britt Arthur, Australian International Documentary Conference CEO; Philippa Campey, Film Camp producer and founder; Rachel Davis, children's television specialist; Gabrielle Oldaker, film marketer; Leanne Tonkes, producer.

ARMELLO received early development funding through Film Victoria and has since been released on Steam, Microsoft Windows, Mac, OS X, Linux, PlayStation 4, and Xbox One along with Android and Windows tablet versions. Recognised with further award nominations including SXSW 2016, Indiecade, Australian Game Developers Awards and named Kotaku's Australian Game of the Year, and available in 13 languages, it is set to continue engaging global audiences with its mythic worlds and storylines.

While almost half the games audience are women, they comprise only 8.7% of game creators. Film Victoria established the Women in Games Fellowship initiative to provide targeted development opportunities for women working in the games sector to build their leadership and professional expertise.

Activities include international placements, formal training and mentorships for the six recipients Katie Gall, Lisy Kane, Brooke Maggs, Kalonica Quigley, Giselle Rosman and Kamina Vincent.

**Victorian Drama and Comedy Initiative (VDCI)**

The final five projects funded through this partnership with the ABC moved into production during 2015/16. In total the VDCI helped secure a pipeline of 12 television titles produced in Victoria, providing over 4,000 employment opportunities with an estimated Victorian spend of over $64 million over a two year period.

Highlights include new series THE BEAUTIFUL LIE, GLITCH and SAMMY J AND RANDY IN RICKETTS LANE and the return of THE DOCTOR BLAKE MYSTERIES, PLEASE LIKE ME, JACK IRISH and UPPER MIDDLE BOGAN.

A new expanded partnership with the ABC was announced in June 2016 which will deliver more great drama and comedy, along with documentary and online projects, and professional development opportunities.
Supporting and promoting screen culture is one of Film Victoria’s core priorities, providing the general public with opportunities to appreciate a wider range of screen content than they may otherwise access. More than 2.831 million people engaged in screen culture activities supported by Film Victoria during 2015/16.

In addition to established and popular events such as the TV Week Logie Awards, Melbourne International Film Festival, St Kilda Film Festival, Little Big Shots and the Indian Film Festival of Melbourne, Film Victoria was delighted to support the Human Rights Arts Festival, Melbourne Queer Film Festival, Melbourne International Animation Festival and the International Chinese Film Festival. The diversity of films shown at these and the many other festivals Film Victoria supports not only entertain audiences, but also have the capacity to help promote empathy and understanding of cultural diversity.

In addition, Film Victoria supported a number of special screenings including the Australian premieres of THE DRESSMAKER and inspirational documentary THE WILL TO FLY along with family friendly events for NOW ADD HONEY, TOMORROW WHEN THE WAR BEGAN and THE NEW ADVENTURES OF FIGARO PHO, raising the profile of the diverse range of content produced in Victoria.

Industry practitioners were also able to engage in a wide variety of events to help advance their careers.

Film Victoria supported the Screen Producers Australia Screen Forever conference, the National Screenwriters Conference, the Penny Arcade Games Expo and welcomed the Australian International Documentary Conference back to Melbourne after an absence of some years, with each event enjoying sellout participation. Supporting industry conferences is an effective way to connect content creators with key decision makers and financiers, whilst also shining a spotlight on Victorian businesses, talent and the vibrant city of Melbourne.

Our annual Seen & Screened and Screen Leader Awards events recognised the significant achievements of Gristmill producers Wayne Hope and Robyn Butler, alongside Matt Hall and Andy Sum from Hipster Whale, producer Sonya Pemberton and post production expert John Fleming – all leaders in their field within the Victorian screen industry.

This year Film Victoria also established two new awards honouring the achievements of Victorian director Fred Schepisi and screenwriter Jan Sardi, who continue to inspire others to excel at their craft.

Film Victoria hosted a range of industry events, often partnering with industry organisations including Screen Australia, the Games Developers Association of Australia, Screen Producers Australia and the Australian Writers Guild among others. These events aim to strengthen the skillsets of practitioners working across the film, television and game sectors and tap into key insights from local and international content specialists.

REVENUE FROM GOVERNMENT
The total funding package from government to Film Victoria was $25.4 million in 2015/16, of which $21.7 million is controlled by Film Victoria and $3.7 million is administered by Film Victoria.

Total government funding in 2015/16 was higher than 2014/15 as a result of the Victorian Drama and Comedy Initiative (VDCI) funding initiative.

OTHER REVENUE
Other revenue in 2015/16 is lower than previous years as a result of lower program repayments. Development repayment requirements are directed back into programs during the financial year.

NET OPERATING RESULT
Timing factors influence how our finances are reported. These timing factors are outlined below.

Film Victoria is required to recognise all government funding as well as other income it receives as revenue within the financial year that it is received.

During a financial year a substantial portion of the revenue received is allocated to various funding programs that result in financial commitments to successful applicants. In turn, a substantial portion of the financial commitments may remain undisbursed at the end of the financial year. This is primarily due to contracted milestones or deliverables that are still outstanding after contracts are executed. As a result, during any one financial year, Film Victoria may make disbursements that arise from financial commitments outstanding from prior years.

During a financial year there may be additional program expenditure commitments made, and partly or wholly disbursed using funds received in previous years.

The improvement in the net operating result in 2015/16 is primarily due to increased revenue from government as outlined above, offset by increased program commitments and payments. As a result, there is an accounting surplus of $1.5 million for 2015/16.

SIGNIFICANT CHANGES IN FINANCIAL POSITION
There were no significant matters which changed our financial position during the reporting period.

SIGNIFICANT CHANGES OR FACTORS AFFECTING PERFORMANCE
There were no significant changes or factors which affected our performance during the reporting period.

NET CASH FLOW
The major factors affecting the variability of net cash flows are funding receipts, program payments and cash flow loans. During 2015/16 there was an increase in net cash flows, due to the VDCI funding initiative and a reprioritisation of funding from the Cash Flow Facility to Film Victoria, partially offset by increased program payments. The net result was an increase in cash held by Film Victoria.

Further details of cash flows are contained in the Financial Statements of this Annual Report.

TOTAL ASSETS
The increase in total assets during 2015/16 is predominantly due to the increase in cash assets outlined above.

> Leadership
> Human rights.

All staff members are provided with a copy of the Code of Conduct for the Victorian Public Sector upon joining our organisation. ENTERPRISE AGREEMENT

The Film Victoria Collective Agreement 2012 expired on 31 December 2015, however, it remains in force until it is superseded by the new Film Victoria Enterprise Agreement 2016 or is formally terminated by the Fair Work Commission.

Formal negotiations for the new agreement commenced in January 2016 and in-principle agreement between Film Victoria and the Community and Public Sector Union (CPSU) was reached in July 2016. Formal approval processes are to follow. The terms and conditions of the proposed agreement are largely in line with the terms and conditions of the Victorian Public Service Agreement 2016.

We are responsible for ensuring that, where practicable, the workplace is safe and without risk to the health and safety of all staff members. The Protected Disclosure Act 2012 (Vic) encourages and assists people to make disclosures of improper conduct or detrimental action by public officers and public bodies. The Act provides protections to people who make disclosures in accordance with the legislation and establishes a system for the matters disclosed to be investigated and for rectifying action to be taken.

Film Victoria does not tolerate improper conduct by employees, nor the taking of reprisals against those who come forward to disclose such conduct. Film Victoria is committed to ensuring transparency and accountability in its administrative and management practices, and supports the making of disclosures that reveal improper conduct. Film Victoria will take all necessary steps to best manage the welfare of individuals who make such disclosures.
