

INDUSTRY DEVELOPMENT

Are industry development programs impacted by coronavirus (COVID-19)?

Industry development opportunities will remain open and Film Victoria is actively seeking applications and input from entities seeking to deliver industry development online.

For activities that are already funded, they can seek to negotiate and review funding requirements, including:

- / Adjusting requirements on meeting KPIs
- / Delaying or removing reporting requirements
- / Varying the purposes and outcomes of funding
- / Extending timelines for projects
- / Allowing organisations to use funds provided for a deliverable to be repurposed to pay essential bills including wages, rent and utilities.
