Reader's Report		\$500
Consultant(s)	Story, Subject, Social Strategy, Digital, Mentors	Up to \$3,000
Legal & Option fees		Up to \$2,000

*Note:

The caps are applicable solely to Film Victoria's contribution. The applicant, or third party, is expected to cover the difference between the Film Victoria contribution and the budgeted cost.

The Fiction caps are based on applications for higher budget projects (such as features or high-end television drama) and for experienced practitioners. The caps on Film Victoria's contribution for specific budget items would likely be LESS for lower budget projects, or projects involving less experienced practitioners.
